LEGISLATIVE HISTORIES

The 1997 Montana Legislature dramatically changed the nature of legislative minutes. This altered format continues with the 1999 legislative minutes. The minutes from House committees are extremely sparse in content, offering no substantive information from which to glean legislative intent. The Senate committees' minutes are fuller in content.

Exhibits, which include written statements, attendent information, roll call votes, roll call attendance, a list of those from the public who were present, and specific action taken on legislative bills, will be available only through the Historical Society Archives, 444-4774, and from a CD-ROM produced by the Legislative Services Division, 444-3064.

Just as in the 1997 legislative session, the 1999 House and Senate committee hearings were recorded. For information on accessing the tapes, or purchasing them, contact the Archives, 444-4774.

If you have concerns over the format of these legislative minutes, it is suggested that you contact your state legislators.

Senate BILL NO. 453

INTRODUCED BY T Beck
(Primary Sponsor)

A BILL FOR AN ACT ENTITLED: "AN ACT CLARIFYING THE REQUIREMENTS FOR ISSUANCE OF RESORT RETAIL ALL-BEVERAGES LICENSES; AND AMENDING SECTION 16-4-202, MCA."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 16-4-202, MCA, is amended to read:

"**16-4-202. Resort retail all-beverages licenses.** (1) It is the intent and purpose of this section to encourage the growth of quality recreational resort facilities in undeveloped areas of the state and to provide for the orderly growth of existing recreational sites by the establishment of resort areas within which retail all-beverages licenses may be issued by the department under the terms of this section. In addition to the licenses set forth in this code, the department may issue one resort retail all-beverages ~~licenses~~ license for the first 100 accommodation units and an additional license for each additional 50 accommodation units in a resort area.

(2) (a) For the purposes of this section, "resort area" means a recreational facility meeting the qualifications determined by the department and as otherwise provided in this section.

(b) The term does not include any land or improvements that lie wholly or partially within the boundaries of ~~an incorporated city or town~~ a quota area as described in 16-4-201(1).

(3) The department shall determine that the area for which licenses are to be issued is a resort area pursuant to rules.

(4) (a) In addition to the other requirements of this code, a resort area, for the purposes of qualification for the issuance of a resort retail all-beverages license, must:

(i) have a current actual valuation of resort or recreational facilities, including land and improvements, of not less than $500,000, at least half of which valuation must be for a structure or structures within the resort area;

(ii) be under the sole ownership or control of one person or entity at the time of the filing of the resort area plat referred to in subsection (5); ~~and~~

(iii) contain a minimum of 50 acres of land;

(iv) contain a minimum of 100 overnight guest accommodation units, each unit capable of being separately locked by the occupants and containing sleeping, bath, and toilet facilities; and

(v) provide on the grounds of the resort the recreational facilities that warrant the resort designation being granted.

(b) For the purposes of this section, "control" means land or improvements that are owned or that are held under contract, lease, option, or permit.

(5) The resort area must be determined by the resort area developer or landowner by a plat setting forth the resort area boundaries and designating the ownership of the lands within the resort area. The plat must be verified by the resort area developer or landowner and must be filed with the department prior to the filing of any applications for resort retail all-beverages licenses within the resort area. The plat must show the location and general design of the buildings and other improvements existing or to be built in the resort area. A master plan for the development of the resort area may be filed by the resort area developer in satisfaction of this section.

(6) Within 7 days after the plat is filed, the department shall schedule a public hearing to be held in the proposed area to determine whether the facility proposed by the resort area developer or landowner is a resort area. At least 30 days prior to the date of the hearing, the department shall publish notice of the hearing in a newspaper published in the county or counties in which the resort area is located, once a week for 4 consecutive weeks. The notice must include a description of the proposed resort area. Each resort area developer or landowner shall, at the time of filing an application, pay to the department an amount sufficient to cover the costs of publication.

(7) Any person may present, in person or in writing, a statement to the department at the hearing in opposition to or support of the plat.

(8) Within 30 days after the hearing, the department shall accept or reject the plat. If the plat is rejected, the department shall state its reasons and set forth the conditions, if any, under which the plat will be accepted. The decision of the department may be reviewed pursuant to the review procedure set forth in 16-4-406.

(9) Once filed with the department, the boundaries of a resort area may not be changed without:

(a) a hearing, noticed and conducted in the same manner as provided in subsections (6) and (7); and

(b) the prior approval of the department, determined according to public convenience and

necessity.

(10) (a) When the department has accepted a plat and a given resort area has been determined, applications may be filed with the department for the issuance of resort retail all-beverages licenses within the resort area.

(b) Each applicant shall submit plans showing the location, appearance, and floor plan of the premises for which application for a resort retail all-beverages license is made.

(c) If an applicant otherwise qualifies for a resort retail all-beverages license but the premises to be licensed are still in construction or are otherwise incomplete at the time that application is made, the department shall issue a letter stating that the license will be issued at the time that the qualifications for a licensed premises have been met. The letter must set forth specific time limitations and requirements that the department may establish.

(11) In addition to the restrictions on sale or transfer of a license as provided in 16-4-204 and 16-4-404, a resort retail all-beverages license may not be sold or transferred for operation at a location outside of the boundaries of the resort area.

(12) A resort retail all-beverages license is ~~{not}~~ subject to the quota limitations set forth in 16-4-201, and if the requirements of this section have been met, a resort retail all-beverages license must be issued by the department on the basis that the department has determined that the license is justified by public convenience and necessity, in accordance with the procedure required in 16-4-207."

{Tape : 1; Side : A; Approx. Time Counter : 0}

HEARING ON SB 453

Sponsor: **SEN. TOM BECK, SD 28, DEER LODGE**

Proponents: **Mark Staples, MT Taverns Assoc.**
Ralph Ferraro, Bozeman
Bob Fletcher, Bozeman
Mike Hope, Bozeman

Opponents: **None**

Informational Testimony: **Neil Peterson, Department of Revenue**

Opening Statement by Sponsor:

SEN. TOM BECK, SD 28, DEER LODGE. This bill deals with resort retail liquor licenses that are distributed by the state to resort areas. We want to ensure the definition of a resort area; we want to make sure this isn't a miniature golf course, etc. We've asked the definition include a resort area must have at least 100 accommodation units for the first liquor license and then each 50 additional units would make them eligible for another liquor license.

Proponents' Testimony:

Mark Staples, Montana Tavern Association (MTA). When Big Sky Resort was built there were no retail all-beverage licenses, so they came to the legislature and MTA worked with them so they came up with the statute **EXHIBIT(bus40a05)**. The short form of the statute is once you get a resort designation, you can put as many alcohol and gambling licenses on that acreage as you can stick on there. What happened was people were saying they had the acreage and the cash. The rules said you had to have 50 rooms, etc. That led to people saying they had a truck stop with a little motel on 50 acres and they'd throw up a water slide or miniature golf course and have as many alcohol and gambling licenses on this spot as it can hold. This has been fought in the courts but we shouldn't have to fight every one of these there. We need to return to the intent and purpose of the original law; therefore, the bill clarified and defined the language. We assume a resort will be built within a quota area and then either buy licenses on the open market or apply for cabaret licenses. This bill does not apply to those resort areas

already in place. I hope you'll support **SB 453** because the statute already exists; however, it's being abused.

{Tape : 1; Side : B; Approx. Time Counter : 0}

Ralph Ferraro, Tavern Owner, Bozeman. I support this bill because the Bozeman area is considered a resort area; however, the developers came in within a mile-and-a-half of downtown Bozeman and bought a 100-acre farm and got the resort designation with the sole intent of expanding gambling and selling liquor licenses to promote the resort. This is within a five-mile radius of the city limits and will throw the quota system off because of all the restaurants and bars he can bring in.

Bob Fletcher, Tavern Owner and Rancher, Bozeman. The proposed site referred to by **Mr. Ferraro** is between my two businesses and is on the edge of the city limits. It's disturbing that this sham could come across as a resort because it isn't. I'm also representing folks in West Yellowstone who couldn't be here because of the weather. The resort that was built there, right on the edge of the city limits next to Yellowstone Park, is upsetting to them also. I support this bill.

Mike Hope, Restaurant Owner, Bozeman. I share the same concern as everybody else; however, another concern I have is I'm a property owner in Bozeman and I own a restaurant. If someone builds a resort outside of town, and if there is a restaurant there, the cost of entry will be cheaper. That possibly devalues the income I can receive off my property in Bozeman. I'm opposed to the bill because I believe the cost of entry should be a level playing field for everybody.

Opponents' Testimony: None.

Informational Testimony:

Neil Peterson, Department of Revenue. We would like to offer an amendment **EXHIBIT(bus40a06)** because it would make the language clearer.

Questions from Committee Members and Responses:

SEN. DALE BERRY asked if the 100 units could be housing units, rather than hotel/motel. **Mark Staples** said he thought they would

because true housing areas would not allow casinos, etc. -- they would police themselves.

Closing by Sponsor:

SEN. TOM BECK. The State of Montana put liquor licenses on a quota basis and they vary in value from one community to another. Any time legislation allows that to tweak, the liquor licenses are devalued. People have establishments for which they paid good money so we have to be very careful of how these liquor licenses are issued. This bill tightens up the resort law and makes it a better director for the Department of Revenue. I support the amendment and I would ask the Committee's support of SB 453.

{Tape : 1; Side : B; Approx. Time Counter : 6.1}

HEARING ON SB 452

Sponsor: **SEN. DALE BERRY, SD 30, HAMILTON**

Proponents: **Kati Kintli, MT Taverns Assoc.**

Opponents: **None**

Opening Statement by Sponsor:

SEN. DALE BERRY, SD 30, HAMILTON. This bill is a business bill because it clarifies the status on licenses that are sold on contracts. Many entities took part in drafting the bill. In the past, a large number of liquor licenses were sold on a contract for sale of some type; there's been some confusion as to the ownership status of that seller. It also covers the situation of a default because some things could change in the status of the seller. If there's a default, at the time the previous seller takes possession because of the default, they have seven days to notify the Department and then they can reapply to take possession and operate that facility, or they have 180 days to sell it.
